DON'T MISS IT: Education Blueprint public survey

Sunday, 06 Oct 2024

Deadline: Dec 31

> Work on a new education blueprint is underway, and the public has been invited to share their suggestions.

> The Education Ministry's Proposals for the Future of Malaysian Education 2026-2036 Portal will collect information, suggestions and ideas from the public to chart the direction of the nation's education as the current Malaysia Education Blueprint 2013 - 2025 will end next year.

> The ministry welcomes proposals from various parties in the form of memorandums or proposal papers to produce a comprehensive and holistic future education plan for the benefit of the country's future generations, it said in a statement on June 24.
