Kolej Yayasan Saad – Vajiravudh College

15th Traditional Rugby Match 2019 Melaka

Welcome Message on Behalf of Kolej Yayasan Saad

MR. TAN CHEH LI

PRINCIPAL, KOLEJ YAYASAN SAAD

Kolej Yayasan Saad warmly welcomes our friends from the Vajiravudh College, Thailand in conjunction with the 15th Traditional KYS-VC Rugby Match 2019.

We treasure Vajiravudh College's steadfast friendship for the past 16 years and consider it a privilege that the KYS rugby team is able to play a rugby friendly match with the VC rugby team in KYS. A rugby game promotes many good attributes like courage, teamwork, leadership, cooperation, collective responsibility, strategic and quick thinking. These attributes are very useful in preparation for adult life.

It is hoped that the students of both schools can appreciate the benefits they gain from the rugby match and bring the exciting experience to a higher level of friendship as well as co-operation in the future. In playing a game between two teams, there is bound to end with a winner and a loser. Either way, the teams are actually winners where the winner wins and the loser learns.

Finally, the KYS community extends our best wishes and highest appreciation to the delegation of Vajiravudh College and to everyone present in the 15th Traditional KYS-VC Rugby Match 2019.

Do enjoy the game. Be profound, make a difference.

Thank you.

Message from the Headmaster of Vajiravudh College

ASSISTANT PROFESSOR SURAVUDH KIJKUSOL
HEADMASTER, VAJIRAVUDH COLLEGE

Some said that sport can cut across barriers that divide societies, provide a forum to learn skills such as discipline, confidence and leadership; additionally, I personally think sport is also an ideal of school for life when applied effectively, sport is as well critically important to child's development in all aspects.

With a strong belief in the power of sport education, we, Vajiravudh College, steadily promote and maintain high standards on and off the field and with a strong bond between VC and KYS, "We" have been bound with continuously traditional Rugby game over decades. Up until this honored year, this is not the first collaboration between us, we, year after year, have been engaging its players and workgroups in many global stages to keep our supportive relationship well beyond a game exchanger.

Drawing on this shared history, I delightedly say that today is an exciting period of time that lies ahead for the 15th VC-KYS Traditional Rugby Match. It is with my great pleasure that VC can partner with KYS in a very long run. This friendly partnership will bloom the development and implementation of sport cooperation plans for ASEAN matches among nations, especially Malaysia and Thailand. Also, in a small scale, this will teach our students core values such as co-operation fair play, self-respect, value of effort, teamwork, communication and etc. towards our beloved students. Evidently, in many circumstances, teenagers nowadays lack hope, as well as the practical means to change their situations, I consistently stand with a sport as a medium to help build characters and confidence, preparing young people to better meet the challenges of a competitive world.

To conclude, I wish our bond all the very best in what in incredibly stimulating period ahead in sport for you as nation. Too, a thank-you to administrative and athletic staff at KYS school for giving us this honor opportunity. To those who have been involved and dedicate themselves in this event, a very special thank-you again.
