Genius dari Sungai Petani

Bapa bangga anak bongsu pelajar Malaysia pertama diiktiraf Marshal Kehormat Kejuruteraan

Sungai Petani

"Saya amat terkejut dan pada masa sama, berbangga apabila Muhamad Saiful menjadi pelajar Malaysia pertama menerima anugerah ini," kata Daud Ahmad, 68.

Daud adalah bapa kepada pelajar tajaan Jabatan Perkhidmatan Awam (JPA), Muhamad Saiful Hakimi, 24, dari Sungai Petani, Kedah, yang menerima pengiktirafan tertinggi dalam bidang kejuruteraan di Pennsylvania State University, Amerika Syarikat.

Anak bongsu daripada lima beradik itu dianugerahkan Marshal Kehormat Kejuruteraan *College of Earth and Mineral Sciences* di Pegula Ice Arena di universiti itu pada 3 Mei lalu.

Perkara itu diumumkan JPA melalui kenyataannya kelmarin, pelajar Ijazah Sarjana Muda Sains dalam Petroleum dan Kejuruteraan Gas Asli, Minor dalam Perniagaan Tenaga dan Kewangan itu dipilih menerima anugerah berkenaan dengan skor penuh Purata Nilai Gred Kumulatiff (PNGK) 4.0.

Mengenai kejayaan anaknya itu, Daud berkata, minat Muhamad Saiful dalam bidang kejuruteraan minyak dan gas bermula sejak anak ketiganya Nur Safinaz, 35, bekerja dalam bidang berkenaan.

"Sejak itu, dia sering bertanyakan hal berkaitan minyak dan gas pada kakaknya serta sepupunya yang turut bertugas dalam bidang sama setiap kali mereka berjumpa.

"Saya juga bersyukur potensinya terus digilap apabila dia memasuki Kolej Yayasan Saad Melaka (KYSM), Durian Tunggal sebelum menyambung pengajian ke peringkat *A-Level* seterusnya ke Pennsylvania State University," katanya yang kini masih berada di Amerika Syarikat bersama isterinya Jamaliah Kasim, 66, serta ahli keluarga lain ketika dihubungi, semalam.

Pesara kerajaan itu berkata, dia dan isteri tidak pernah menghalang minat anak mereka, malah menyokong apa jua bidang diceburi.

Dalam pada itu, Daud mengakui Muhamad Saiful rajin berusaha dan tidak pernah berputus asa terutama dalam pelajaran.

"Saya bersyukur potensinya terus digilap" Daud Ahmad

DAUD dan isteri, Jamaliah Kasim bersama Muhamad Saiful yang dianugerahkan Marshal Kehormat Kejuruteraan College of Earth and Mineral Sciences.

NEW STRAITS TIMES

JPA scholar receives highest engineering honour at Pennsylvania State University

By Bernama - May 8, 2019 @ 6:55pm

PUTRAJAYA: Public Service Department (JPA) scholar Muhamad Saiful Hakimi Daud has received the highest engineering honour at the Pennsylvania State University, United States.

JPA in a statement today said Muhamad Saiful Hakimi, 24, from Sungai Petani, Kedah, was awarded the College of Earth and Mineral Sciences' Engineering Honour Marshal at Pegula Ice Arena on May 3.

"He is the first Malaysian student to be named for the award with a perfect score of 4.0 cumulative GPA (Grade Point Average)," it said.

JPA said the Pennsylvania State University representatives had commended Muhamad Saiful

Hakimi for his academic achievements, as well as strong leadership skills.
