PUBLIC SERVICE DEPARTMENT

MEDIA RELEASE

JPA's SCHOLAR RECEIVED HIGHEST ENGINEERING HONOR AT PENNSYLVANIA STATE UNIVERSITY

Public Service Department (JPA) congratulates Muhamad Saiful Hakimi bin Daud, 24, for being recognised College of Earth and Mineral Sciences', Engineering Honor Marshal at Pegula Ice Arena, Pennsylvania State University on 3 May, 2019. **He is the first Malaysian student to be named for the award with a perfect score of 4.0 cumulative GPA.**

According to the representatives of the Universitiy, **"Saiful Hakimi has demonstrated his academic achievements considerably, as well as strong leadership skill throughout college, in addition to the various initiative he has taken beyond academic classroom. This is one of the highest awards given by the university".**

Saiful Hakimi who is from Sungai Petani, Kedah, celebrated this historic event with the presence of his parents, Daud Bin Ahmad and Jamaliah binti Kasim.
